

Taking on Trash 2016

Flood Control and Water Conservation District
Waste Recovery and Disposal Activities

Identifying trash hotspots

Volunteer Projects

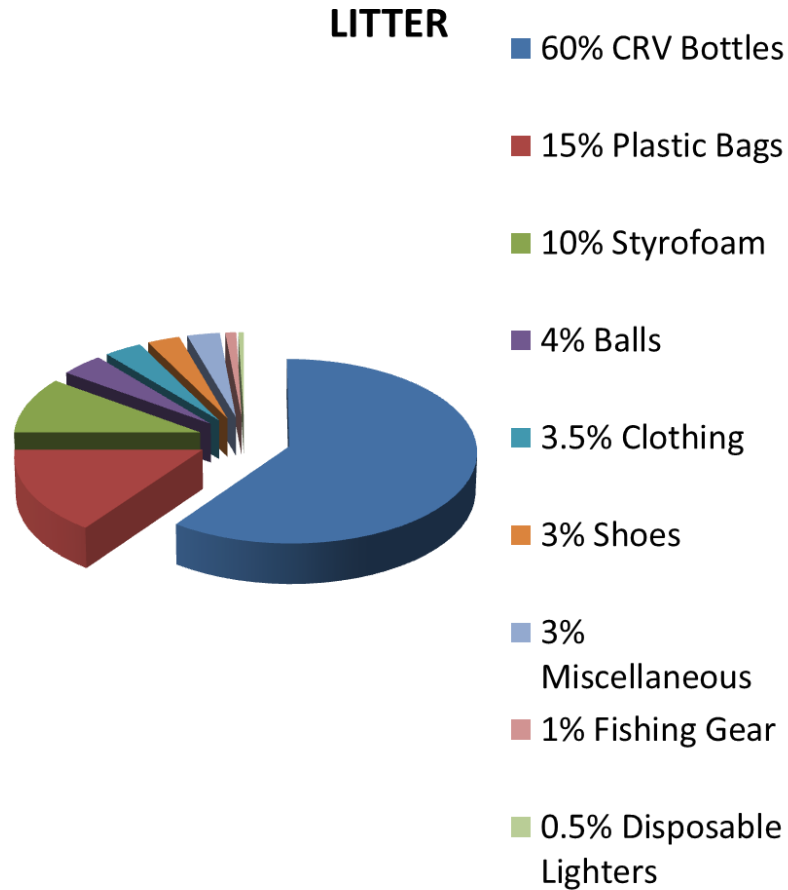

A good day on the river bank

Typical Items Found

A COMPLICATED ISSUE

Homeless/illegal camping and its
effects on the environment

These examples are relatively clean compared to some other sites

Constant effort is required to prevent huge piles of trash from accumulating on District lands

Collaboration with Other Agencies

- Napa City Police (including Homeless Outreach Specialist)
- Napa County Sheriff
- Napa County Health and Human Services
- Napa Parks and Recreation
- Private Property Owners

Process

- Camps identified
- Camps Posted for 48 hour notice
- Notices are photographed/date stamped for documentation and sent to Law Enforcement
- Work with Law Enforcement to ensure camps are cleared for cleanup
- Cleanup
- Start Over.....

A rotational schedule is being developed for all affected areas
