DEFENSIBLE SPACE & HOME HARDENING ORDINANCES

Ember Resistant Zone Ordinance

- **Require New Construction:**
 - Establish and maintain Ember Resistant Zone within 5 feet of a structure
 - All fire water supply infrastructure additions shall be protected from wildfire radiant heat, convective heat and embers
- **Recommend current property owners:**
 - Remove any combustible outdoor furniture
 - Clean all fallen leave and needles regularly, often during fire season
 - Do not store firewood, lumber or combustibles, especially under decks or overhangs

\$3 Million Raised
in Local, state and federal grants and donations
Community Wildfire Protection Plan
\$41 Million 5-Year Priority Project Plan

COUNTYWIDE WILDFIRE PROTECTION PLAN

- Napa County's first-ever Countywide Wildfire Protection Plan (CWPP) is a roadmap to reduce fuels and prevent wildfires
- **5-year plan**: \$41 million
- Board invested \$1 million to immediately kick off work and will invest \$5.4 million in the FY 21/22 budget for year 1 projects
- Projects are prioritized based on:
 - Evacuation corridors for ingress & egress
 - Community fuel breaks
 - Critical infrastructure
 - Drinking water protection

Working Towards Sustainable Funding
For Wildfire Fuel Mitigation Project
Implementation and Maintenance

FIRE PREPAREDNESS AD-HOC COMMITTEE

- Board established an Ad Hoc Committee to provide technical guidance regarding fire prevention and mitigation measures to address current and future needs.
- Ad Hoc Goals:
 - Coordinate efforts to assess fire prevention & suppression
 - Communicate and Collaborate among different agencies
 - Provide recommendations to the Board of Supervisors
 - The intent is to systematically expand membership to include community members and city/town representation
 - Identify sustainable funding resources
- Committee Members: Fire Chief, Sheriff, Supervisors Pedroza & Gregory, Representatives from Napa Firewise, Director of Planning, Director of Emergency Services
- **Tax Measure**

RESIDENT CONTACT FORM

SIGN UP!

*Stay
Firesafe &
Firewise!*

If you live in Napa County, please complete the following form to receive updates and information on many fire-related topics, education, and information. We ask that you indicate which Fire Safe Council best fits your area. If you aren't sure to which FSC you belong, [view our interactive map](#).

Not in Napa County but wish to stay in the loop? We invite you to join our mailing list for email updates with important updates and tips to keep you and your neighborhood safe.
