

Easing the path from intent to action

Who we are and what we do:

- 1 CanDo is a non-partisan, all volunteer non-profit organization
- 2 Our mission seeks to:
 - Expand the pool of local community volunteers
 - Originate projects of benefit to the community when we identify an unmet need
 - Facilitate discussion and advocacy on topics considered integral to bettering our community, state and nation
- 3 CanDo acts as an umbrella structure under which there are several distinct projects
